

► **Exercise 7:**

► Imagine that you are a group of experts (please select one option):

1. of the EU (EC/EASO, etc.),
2. of the national advisory body of one of the EU member states (which one?),
3. of the national advisory body of one of non-EU states,
4. of the United Nations High Commissioner for Refugees,
5. of the OECD,
6. of the NGO's specializing in migration-related issues,
7. of the international research network/association in the area of migration.

► You are asked to:

1. present briefly your group (your profile, aims, priorities, etc.),
2. describe the current migrant and refugee situation in the European Union,
3. explain why the EU is facing the crisis (and what crisis – migrant/ refugee/ asylum, etc.),
4. propose some solutions to this current situation/crisis,
5. give some recommendations.

► Take into consideration the aims, priorities, tools and perspective of the stakeholder you represent (EU, national government, NGO, UNHCR, research network, scientific association, etc.).

► Please use your general knowledge and additional materials.

► Please present your feedback in the form of a powerpoint presentation.
